

Stamper Block Sold

The advertised sale of the Stamper block occurred at the court house Monday afternoon. The bid of \$2,500 of L. H. Sutton was accepted, and he was declared the purchaser. It was advertised that the bids and sale would occur between the hours of 10 a. m. and 2 p. m. while as a matter of fact, it is said that the sale did not finish until after three o'clock in the afternoon.

E. D. Cooper, the local agent of the Aetna Building and Loan Association reports a nice growth in the business of that organization in Liberal during the past year. The receipts of November 1910 were \$188.10 here as compared with \$512.53 for the corresponding month this year. Mr. Cooper says that he expects the receipts for this town to go over the \$600 mark in January. This is due to the increased building of homes here have taken up stock in the enterprise with the expectation of later building homes in Liberal. The idea is a good one, and has already helped many to become the owners of their own homes here.
